United Way fights for the health, education, financial stability and essential needs of every person in every community. Our mission is to improve lives by mobilizing the caring power of communities across Northwest Louisiana.

HOW TO REQUEST A PROJECT

1. Complete our online request form 4-6 weeks before your desired project date. unitedwaynwla.org/volunteer
2. Assign a project team leader from your staff to communicate between United Way and your employees.
3. United Way will coordinate the project from start to finish, ensuring your employee volunteers walk away with a memorable experience.

Day of Caring is a one-day, community wide event where corporate and nonprofit employees impact their community through the spirit of volunteerism.

This annual event each spring connects nearly 700 people with projects in the Shreveport-Bossier and Minden areas. Teams of volunteers tackle things like painting, landscaping, clerical work, cleaning, and sorting food and donations. Day of Caring saves our nonprofit partners thousands in labor costs.
